

Confirmation of Warranty Registration

This certificate confirms that

Black Hills Solar, Inc.

**has registered to provide its customers
Extended Silfab warranties under
Unique Customer Code**

BL2740

As a registered installer, this and future installations of Silfab Solar modules* completed by this company qualify for our industry leading 25-Year Product Workmanship and 30-Year Power Output Warranty. A copy of this certificate should be shared with system owners so they know their installations are covered by the extended Silfab warranty.

To download a copy of the full warranty: silfabsolar.com/downloads/

*Manufactured by Silfab Solar and its affiliates after January 1, 2018.
(and subject to Silfab Solar warranty details)
